

Çilingir Sofrasi

£49.5 pp - Mon-Thur

A true and original Anatolian tradition, only at Skew Restaurant.

The idea of Çilingir Sofrasi is to kick back, relax and taste your way through our Menu experiencing the wonderful flavours of Anatolia. During your visit, each party member will be served a taster of each menu item listed below. This will begin with the Cold Mezze options, which will be readily laid out on your table upon your arrival. Following on from the Cold Mezze's will be the Hot Mezze's, then the Skew Premium Grill, and then the Desert. Every time a taster is finished, the next will be served.
